Account is opened. Should I scan the sig cards to Julia or are you meeting with them?

Hi Lien, Pat asked me to send this stuff over to you. He is really busy on Monday's with the radio show.

He needs a second account for Basel Group. Pat and Julia would be the only people authorized on the account.

So it should be exactly like the Crown set-up.

Please phone me with any questions - Pat wanted to try and get this done today if possible. \$100 or something could be transferred from one of his existing accounts to get a balance in there.

The use and volume would be similar to the Crown account..

Thanks

Trevor
