SEC’S RESPONSE TO JASON BECKMAN’S MOTION TO PROCEED

While principles of judicial economy support continuing the stay during the pendency of Defendant Beckman’s criminal appeal, the SEC does not oppose lifting the stay in this matter. Should the Court do so, the SEC anticipates moving for summary judgment, based on the preclusive effect of Beckman’s criminal conviction. The SEC would also seek to resolve its claims against the other parties in this matter, as well as the parties in *SEC v. Trevor Cook, et al.*, 09-cv-3333 (in the event that the stay is lifted in that matter).

Respectfully submitted,

Dated: February 6, 2014
